

Gift Aid Donation

As a charitable organisation, the College invites a donation from parents of all full-time students at registration in the new academic year. The level suggested by governors is £240 for a two year course and £120 for a one year course. Payment is collected either in full, in September, or by a monthly standing order of £10. Details are available for new students with their Enrolment briefing pack in June. For families on low income or in receipt of Income Support or the Working Tax Credit or Disabled Persons' Tax Credit, no payment is requested.
